

ADAMS RIVER RAFTING LTD. DIRECTIONS
3843 Squilax Anglemont Highway Scotch Creek BC

Our Scotch Creek office is located on the North Shuswap, which is between Kamloops and Salmon Arm in the BC interior. From the Trans Canada Highway # 1, the turn off to this resort area is 10 kms east of Chase or west of Sorrento. Once off the highway you will loop across the Squilax bridge. Continue on this road (Squilax Anglemont Highway) for 16 kms into the community of Scotch Creek. We are on the left as you enter town. Look for our cedar fence and colourful rafting signs. Please arrive 20 minutes prior to departure.

If you have arranged with the office to meet at the Adams River bridge: From the highway turnoff, cross the Squilax Bridge and continue for about 4 kms to the Adams River single lane bridge. Cross the bridge and pull over to the right. Park well past the bridge and river access site. Meeting time for bridge p/u is shortly after time.

DRIVING TIMES to the OFFICE (Subtract 10 minutes if meeting at the bridge)

Estimates only, please check for summer road work, etc.
